"Looking into the Mirror of *the Perfect Law of Liberty*" James 1:22-25

1. In trials, if you look into the Word, hear it, but forget what you hear, you are beguiling and misleading yourself (1:22-24,26). It will not end well for you.

2. In trials, if you look into the Word, persevere and do the work you hear in it, you will mature and find freedom in Christ (1:22,25,27). You will be blessed and you will be a blessing in your doing.
