Third Sunday of Advent

“Work-less, Demonic, Worthless Faith”

James 2:18-20

1. Empty words of *faith* that is not worked out in daily living is a *faith not working through love* (2:18).
2. The demons' confession of the oneness of God is but a “faith” that does not work, that does not love (2:19).
3. It is hard for an empty man to come to know that work-less faith is worthless faith because it can't deliver those who are suffering (2:20).
